

FEATURES 2016

The Beacon Magazine is a premium, feature based lifestyle title, designed to inspire readers; feeding their love and fascination of beautiful homes, picturesque gardens, on-trend fashion & beauty, glorious food as well as aspirational holidays and trips of a lifetime. Our aim, is to first and foremost provide a high quality lifestyle journal that, not only engages the reader, but at the heart supports and serves local businesses, offering them a successful and effective vehicle to share, promote and inform people about their services and products.

Each volume encapsulates a brand new and interesting theme throughout the year, ensuring our readers have another edition to add to their collection
